The "TALES OF NEKO" will be a 2D, ADVENTURE, Role Playing GAME.

The core gameplay is the evolution of the main character adventuring through a fantasy world, searching for the Golden Fish to achieve *SPOILER ALERT* the long-desired human form. Throughout this adventure, you will encounter friendly(?) NPCs and hostile mobs that will try to help or prevent you from achieving your goal. So be careful to not lose all your 9 lives, young kitten. Good luck!
